'Student Easy Payment Plans'

We have (3) 0% APR easy payment plans for you to choose from.

At Reiki Tradition School of Reiki we try and help and assist all our students as much as possible. We also understand that Students may want and require an Accredited Qualification to allow them to work professionally within Statutory Settings with Reiki.

Either working single handily or part of much larger multidisciplinary teams either voluntary or in paid positions within the NHS, Care Homes, Hospices and even veterinary surgeries working with Animals.

We also understand that the overall cost of gaining an Accredited Qualification can be out of the reach financially, difficult and almost impossible, for many students. Yet so many potential students require this Qualification.

Early December 2023 Reiki Tradition School of Reiki Decided and came up with a plan to help and assist these Potential students to gain this prestige Reiki Accredited Qualification.

Reiki Tradition School of Reiki specialise in Integrated Healthcare, working with all our students to work in Statutory Setting. We only specialise in Reiki where we have over 40 years' experience. We do not work with any other Complementary Therapies.

All our courses meet the Syllabus Standards of the:
