

Usui Reiki Hikkei

The Usui Reiki Handbook

For some time now I have known about the class booklet that Usui-sensei gave to his students and I have always wondered what it contained. In the Autumn of 1998, it was Inspiring to read part of it in F. Arjava Petter's book "Reiki: The Legacy of Dr. Usui" .

In June, 1999 I gratefully received a Japanese copy from Akihiko Uechi who had obtained this in Japan. As with the Usui memorial translation, I felt a literal translation of this book might prove useful for Reiki practitioners and as an interesting comparison to Arjava's fine work. I wanted to make this guide available to all Reiki practitioners, mainly because it is one work of Usuisensei's that we can all share at any Reiki level.

During translation we discovered that Usui-sensei's section on the Method of Healing Guide was indeed very similar to the Healing Guide that Dr. Hayashi shared years later with Mrs. Takata., and which has been translated by a few from the West.

In August, 1999 at a Japanese Reiki seminar here in Vancouver, Arjava told me he had finally put together a complete illustrated book which would be available in the fall of 1999. Just like his previous works, I think this version is well presented and very interesting to have as a comparison of translation styles.

This translation here is from a copy that the former Usui Reiki Ryoho Gakkai head, the late **Mrs. Kimiko Koyama**, handed out to her students. I added the lines that read **Page 01** to indicate from which page in the 68 page document that the translation refers to - **Page 00** being the table of contents page. (**BLANK PAGE** means the original page was empty) While the **Gyosei** section is still in progress, I thought that now I had the first 3 sections complete I should share with you. Near the end, I added in the complete Precepts, and a copy of the Hatsurei ho meditation as this seems to be the common place where the Gyosei and Precepts are spoken.

I would also like to extend my gratitude to the following who assisted with the translation and corrections.

Explanation Of Instruction For The Public

By Founder of Usui Reiki Ryoho, Mikao Usui

It is an old custom to teach a method to only my descendants, for keeping a wealth within a family. Especially, the modern societies we live in wish to share happiness of coexistence and co-prosperity. So I don't allow my family to keep the method to ourselves.

My Usui Reiki Ryoho is an original, there is nothing like this in the world. So I would like to

release this method to the public for everyone's benefit and hope for everyone's happiness. My Reiki Ryoho is an original method based on intuitive power in the universe. By this power, the body gets healthy and enhances happiness of life and peaceful mind. nowadays people need improvement and reconstruction inside and outside of life, so the reason for releasing my method to the public is to help people with illness of body and mind.

Q. What is Usui Reiki Ryoho?

A. Graciously I have received Meiji Emperor's last injunctions. For achieving my teachings, training and improving physically and spiritually and walking in a right path as a human being, first we have to heal our spirit. Secondly we have to keep our body healthy. If our spirit is healthy and conformed to the truth, body will get healthy naturally. Usui Reiki Ryoho's missions are to lead peaceful and happy life, heal others and improve happiness of others and ourselves.

Q. Is there any similarity to hypnotism, Kiai method, religious method or any other methods?

A. No, there is no similarity to any of those methods. This method is to help body and spirit with intuitive power, which I've received after long and hard training.

Q. Then, is it psychic method of treatment?

A. Yes, you could say that. But you could also say it is physical method of treatment. The reason why is Ki and light are emanated from healer's body, especially from eyes, mouth and hands.

So if healer stares or breathes on or strokes with hands at the affected area such as toothache, colic pain, stomachache, neuralgia, bruises, cuts, burns and other swellings with pain will be gone. However a chronic disease is not easy, it's needed some time. But a patient will feel improvement at the first treatment. There is a fact more than a novel how to explain this phenomenon with modern medicine. If you see the fact you would understand. Even people who use sophistry can not ignore the fact.

Q. Do I have to believe in Usui Reiki Ryoho to get better result?

A. No. It's not like a psychological method of treatment or hypnosis or other kind of mental method. There is no need to have a consent or admiration. It doesn't matter if you doubt, reject or deny it. For example, it is effective to children and very ill people who are not aware of any consciousness, such as a doubt, rejection or denying. There may be one out of ten who believes in my method before a treatment. Most of them learn the benefit after first treatment then they believe in the method.

Q. Can any illness be cured by Usui Reiki Ryoho?

A. Any illness such as psychological or an organic disease can be cured by this method.

Q. Does Usui Reiki Ryoho only heal illness?

A. No. Usui Reiki Ryoho does not only heal illness. Mental illness such as agony, weakness, timidity, irresolution, nervousness and other bad habit can be corrected. Then you are able to lead happy life and heal others with mind of God or Buddha. That becomes principle object.

Q. How does Usui Reiki Ryoho work?

A. I've never been given this method by anybody nor studied to get psychic power to heal. I accidentally realized that I have received healing power when I felt the air in mysterious way during fasting. So I have a hard time explaining exactly even I am the founder. Scholars and men of intelligence have been studying this phenomenon but modern science can't solve it. But I believe that day will come naturally.

Q. Does Usui Reiki Ryoho use any medicine and are there any side effects?

A. Never uses medical equipment. Staring at affected area, breathing onto it, stroking with hands, laying on of hands and patting lightly with hands are the way of treatment.

Q. Do I need to have knowledge of medicine?

A. My method is beyond a modern science so you do not need knowledge of medicine. If brain disease occurs, I treat a head. If it's a stomachache, I treat a stomach. If it's an eye disease, I treat eyes. You don't have to take bitter medicine or stand for hot moxa treatment. It takes short time for a treatment with staring at affected area or breathing onto it or laying on of hands or stroking with hands. These are the reason why my method is very original.

Q. What do famous medical scientists think of this method?

A. The famous medical scientists seem very reasonable. European medical scientists have severe criticism towards medicine.

To return to the subject, Dr. Nagai of Teikoku Medical University says, "we as doctors do

diagnose, record and comprehend illnesses but we don't know how to treat them."

Dr. Kondo says, "it is not true that medical science made a great progress. It is the biggest fault in the modern medical science that we don't take notice of psychological affect. Dr. Kuga says, "it is a fact that psychological therapy and other kind of healing treatment done by healers without doctor's training works better than doctors, depending on type of illnesses or patient's personality or application of treatment. Also the doctors who try to repel and exclude psychological healers without doctor's training are narrow-minded." -----

From Nihon Iji Shinpo

It is obvious fact that doctors, medical scientists and pharmacists recognize the effect of my method and become a pupil.

Q. What is the government's reaction?

A. On February 6th, 1922, at the Standing Committee on Budget of House of Representatives, a member of the Diet Dr. Matsushita asked for government's view about the fact that people who do not have doctor's training have been treating many patients with psychological or spiritual method of treatment.

Mr. Ushio, a government delegate says, "a little over 10 years ago people thought hypnosis is a work of long-nosed goblin but nowadays study has been done and it's applied to mentally ill patients. It is very difficult to solve human intellect with just science. Doctors follow the instruction how to treat patients by medical science, but it's not a medical treatment such as electric therapy or just touching with hands to all illnesses." So my Usui Reiki Ryoho does not violate the Medical Practitioners Law or Shin-Kyu (acupuncture and moxa treatment) Management Regulation.

Q. Q. People would think that this kind of healing power is gifted to the selected people, not by training.

A. No, that isn't true. Every existence has healing power. Plants, trees, animals, fish and insects, but especially a human as the lord of creation has remarkable power. Usui Reiki Ryoho is materialized the healing power that human has.

Q. Q. Then, can anybody receive Denju of Usui Reiki Ryoho?

A. Of course, a man, woman, young or old, people with knowledge or without knowledge, anybody who has a common sense can receive the power accurately in a short time and can heal selves and others. I have taught to more than one thousand people but no one is failed. Everyone is able to heal illness with just Shoden. You may think it is inscrutable to get the healing power in a short time but it is reasonable. It's the feature of my method that heals difficult illnesses easily.

Q. If I can heal others, can I heal myself?

A. If you can't heal yourself, how can you heal others.

Q. How can I receive Okuden?

A. Okuden includes Hasureiho, patting with hands method, stroking with hands method, pressing with hands method, telesthetic method and propensity method. I will teach it to people who have

learned Shoden and who are good students, good conduct and enthusiasts.

Q. Is there higher level more than Okuden? A.

Yes, there is a level called Shinpiden.

Water

Water does not oppose any vessels and it is stayed as the vessel form. Water seems to be obedient, flexible, and not self-assertive. However, water can break rocks with its consecutive concentrated drops. So people should also have flexibility for any situation such as thought and human relationship, and have consecutive concentration to do something important.

Evening

Today I had nothing to do and I find that now is evening. I felt sorry for that at first, but I changed my mind that this is not so bad, is it? Yes, it is BAD because any moment is very precious for people and I waste my precious time today. Well, however, I should not regret my passed day for so long. Now I try to live my new day without regret.

You have a right pure soul if you have nothing to be ashamed of in front of God,

Pine Tree

People have been liked pine tree because it is said that pine tree bring good luck.
And people evaluate the shape and balance of pine tree, but the real worth is
different. When the coldest winter came after the lapse of many years, pine trees
could survive deep snow and storm though other trees died all. Pine trees showed
their toughness and people evaluated the great pine trees.

I wish my mind clear like great people unknown but have great mind and soul. Though I am the Emperor, I am not a great as a human.

Emperor Meiji Gyosei (explanation by Mr. Hiroshi Doi)

1. Purpose of Usui Reiki Ryoho (from brochure of Reiki Ryoho)

The practitioners of Usui Reiki Ryoho use 125 Gyosei written by Emperor Meiji, who was the 122nd Japan Emperor and made a lot of Gyosei (Japanese WAKA poetry), as mental food. They also keep the GOKAI (For today only, do not anger, do not worry. Be grateful. Endeavor your work. Be kind to all people everyday, make an effort for your own mind & body growth, aim at keeping health, and aim at increasing peace, prosperity and happiness in family/society/nation/world.)

2. Traditional Reiki Ryoho (treatment) Seminar

Shuyokai, which means seminar, is held by Traditional Reiki Ryoho master in order to encourage the growth of mind and spirit of all attendants. Reiju is given by the master at that time. Hasureiho is taught in the Level 2 to practice Reiki by oneself..

At the beginning of Shuyokai and Hasureiho, GYOSEI is read aloud to clear idle thoughts. GOKAI is read aloud three times at least. This was started by Usui-sensei and Traditional Usui Reiki practitioners perform it still now.

3. The Purpose of GYOSEI

It is said that Emperor Meiji was a great psychic. His goodness was generated to all over the country like sun, his feeling was broad-minded and plentiful like the ocean, his will was strong, his belief was full of love and as broad as the land.

In Meiji era, most politicians were so called great people who experienced much difficulties in the changing era from Edo SAMURAI period to Meiji democratic period, but they got strained and sweat when they were meeting Emperor Meiji, not by Emperor's authority but by Reiki power.

USA president F. Roosevelt said, "Japanese people must be happy to have such a great Emperor. Japan will progress and develop with the Emperor Meiji. "

Emperor Meiji did not talk a lot but wrote a lot of WAKA poetry to express himself. These poetry's are recognized as great poetry in Japanese literature.

Usui-sensei respected the Emperor Meiji, selected 125 WAKA poetry as GYOSEI to use in Reiki lesson.

I have consecutive unhappiness and pain that I cannot control. Easy to think that there is no God, I tend to think that the other person is to blame for it. Is this really blamed on other person? Am I always right without any fault? No, I can remember that I also have many faults. This is blamed on me, I know that this is the result I bring, and now I am free from ill feeling.

=====

The Usui Reiki Hikkei was, and still is, given out to all level one students of the Usui Reiki Ryoho Gakkai. Concerning the [Guide to Method of Healing](#) table, I asked Mr. Doi why would Usui-sensei give out such a long and complex guide to his new students. He explained that early on, Sensei did not have such a guide, but he soon discovered that some people were unable to sense where to place their hands for certain (or all) illnesses. He decided to provide instructions that could be followed until such time as they no longer required this.

The Gyosei is often spoken or sung before the Japanese Hatsurei ho meditation used in Japanese Reiki classes or gatherings, and has a syllable beat of 5 - 7 - 5 - 7 - 7. At the end of the gathering the Precepts are also spoken; mainly the Gokai - the 5 well known statements. [Usui-sensei's](#)

Shuyo ho

The **Hatsurei ho** described in Mr. Doi's book (Iyashi No Gendai Reiki Ho - see my web site at www.threshold.ca) is a slightly modified version of **Usui-sensei's original**. How it is done originally is also described on page 162 of his book.

Hatsurei-ho is called "**Shuyo ho**" when it is done together in a group. It goes like this:

Clear one's mind by singing **Gyosei**

Seiza - sit on the floor in zen style

Kenkyoku - brushing off

Joshin Kokyu - Soul cleansing breathing: meditation focusing on "tanden"

Gassho

Seishin Toitsu - continue to meditate (this is when "**Reiju**" - an empowerment or attunement is give by teachers - this is done to all at every Reiki gathering)

Gokai sansho - say 5 principles aloud three times

Hatsurei-ho

Here is a translation of a Hatsurei-ho on Pages 207-209 of Japanese Reiki Master Mr. Hiroshi Doi's book 'Iyashi no Gendai Reikiho' (Isbn. 4-9006631-34-7c0077) or "Modern Reiki Method for Healing", this section translated by Yukio Miura, Kyoto, Japan - Mr. Doi has given permission to print this. This technique is from a Taoist Qigong movement and is still taught in the Japanese Reiki society.

===== translation begins =====

Hatsurei-ho is a way to enhance your Reiki channel and help you grow spiritually.

I. Kihon Shisei (standard posture)

Sit on the floor (Seiza style - on your knees, sitting on your legs) or chair. Relax and close your eyes. Place your focus onto your Hara-line (3-5 centimeters below navel. Put your hands on your lap with palms down.

II. Mokunen (Focusing)

Say in your mind "I will start Hatsurei-ho" to your sub-conscious.

III. Kenyoku (Dry bathing or Brushing off)

(Note: you should breath out as you brush - as you exhale, say "aaaaah" or something similar - i.e. make a sound. Brushing can be either with contact (touching) or in the aura (not touching).)

1. Place the fingers of your right hand near the top of the left shoulder, with the fingertips over the indentation just in from the edge of the shoulder (where the collar bone meets the shoulder). The hand is lying flat.
2. Draw the flat hand down across the chest in a straight line, over the "V" of the sternum (where the rib cage meets) down to the right hip.
3. Repeat this procedure on the right side, using the left hand. Draw it flattened from the shoulder, in a straight line, across the sternum, to the left hip.
4. Repeat the procedure again on the left side.
5. Place the right hand on the edge of the left shoulder, fingertips on the edge pointing outwards.
6. Draw the right hand, flattened, down the outside of the arm, all the way to the finger tips, all the while keeping the left arm straight and at your side.
7. Repeat this process on the right side, with the left hand on the shoulder and drawing it down the right arm to the fingertips.
8. Repeat the process on the left side again.

IV. Connect to Reiki

Raise your hands high up in the air, visualize and feel the vibration/light of Reiki flowing into your hands and run through your whole body.

V. Joshin Koku ho (Cleansing Breathing)

1. Put your hands on your lap with your palms up and breath naturally through your nose. Focus on your Hara line and relax.

2. When you breath in, visualize the white light of Reiki coming in through your crown chakra, on to your Hara line and expand to whole of your body, melting all your tensions.
3. When you breathe out, visualize that the light that filled up your whole body, expands to outside of your body through your skin, onto infinity in all directions.
4. Repeat (2),(3) for a couple of minutes or as long as you like

VI. Gassho

Put your hands together holding them in front of your chest (like praying hands) a little higher than your heart.

VII. Seishin Toitsu (Concentration)

1. Keep the Gassho. Imagine that you are breathing through your hands.
2. When you breath in, visualize that the light of Reiki flows in through your hands on to your Hara line, your Hara being filled with light.
3. When you breath out, visualize that the light stored in your Hara line radiate out through your hands.
4. Repeat (1), (2) for a couple of minutes or as long as you like

VIII. Mokunen

Put your hands back on to your laps with your palms down. Say in your mind that "I've finished Hatsurei-ho" to your subconscious.
